

EMAIL OPT IN

EMAIL OPT IN FORM

Our records indicate that you have not yet signed up to receive mailings by email.

In our continued efforts to keep up with technology and reduce the Association's costs, we are encouraging owners to sign up or opt in to email notifications of meetings, issues, and overall status of the Association. In addition, email can be used for quick communications from the Board to owners.

By opting in to email notification, you will:

- ✓ Not receive paper copies of records that can be communicated electronically, unless you request such copies.
- ✓ Receive any mandated notifications by traditional mail as they apply (i.e., delinquent notices, lien notices, special assessments, etc.).
- ✓ **Save money, as the Association finds ways to cut expenses by reducing paper, envelope and postage usage per month.**
- ✓ Help the Association go "green" by reducing waste.
- ✓ Receive notifications more timely.

If you agree to opt in to email notification, please provide the following information, sign the form, and return it to Armstrong Community Management.

Mail: P.O. Box 871, Visalia, CA 93279

Fax: 559-697-0349

Email: associations@armstrong-mgmt.com

I/we, _____, agree to email notification for _____ Homeowners Association information relating to our community. Additionally, I understand that I can withdraw my request at any time by notifying the Association in writing.

Email Address: _____

****note: only one email address can be used****

Address at : _____
